IT - Il tavolo Sentei nasce dalla volontà di creare un oggetto scultoreo. La base sembra crescere dal pavimento proprio come il ceppo di un albero a tre tronchi nasce dal terreno. Un oggetto imponente ma leggero, disegnato ma apparentemente casuale.

EN - The idea behind the Sentei table is to create a sculptural piece. The base seems to rise forth from the floor, just as a three-stemmed tree stump rises forth from the ground. It is sculptural yet light, designed yet seemingly random.

DE - Hinter dem Tisch Sentei steht die Idee, eine skulpturenartiges Objekt zu schaffen. Der Tischfuß wirkt wie ein aus dem Boden wachsender Baum mit drei Stämmen. Eine Skulptur, die sich durch Leichtigkeit und ein wie zufällig entstandenes Design charakterisiert.

FR - La table Sentei est née de la volonté de créer un objet sculptural. La base semble sortir du sol tout comme la souche d'un arbre à trois troncs sort du sol. Un objet sculptural mais léger, dessiné mais apparemment casuel.

IT - Ispirato ai pilastri, alle arcate ed ai passaggi, in Arcade questi elementi architettonici si mescolano tra loro per creare un sistema di supporti modulari di alto design e forte impatto visivo.

EN - Inspired by pillars, arches and passageways, Arcade blends these architectural features to create a modular range of supports. They make a strong sculptural statement, regardless of the space in which they are arranged.

DE - Pfeiler, Arkaden und Torbögen. An diesen architektonischen Elementen ist Arcade inspiriert. Es handelt sich um modulare Tischbeine, deren skulpturenhafte Ausstrahlung jedem Ambiente das gewisse Etwas verleiht.

FR - Inspiré par les piliers, les arcades et les passages. Dans Arcade, ces éléments architecturaux sont mélangés pour créer un système de supports modulaires avec une valeur sculpturale indépendante de l'espace dans lequel il est inséré.

IT - Un piano essenziale poggia su una base scultorea formata da due colonne ispirate alle agorà greche. A svelarne la complessità è il rivestimento in materiali primari, come il cemento e il marmo. Un tavolo che arreda la zona pranzo con discrezione.

EN - A minimalist top rests on a sculptural base formed by two columns inspired by the Greek agora. Its complexity is revealed by the covering in primary materials such as cement and marble. A table discreetly furnishes the dining area.

DE - Die essentielle Tischplatte ruht auf einem plastischen Grundgestell, das von zwei Säulen gebildet wird, die denen einer antiken griechischen „Agora“ nachempfunden sind. Die Komplexität des Entwurfs wird durch die Beschichtung aus Urmaterialien wie Zement und Marmor betont. Ein Tisch, der den Essbereich mit diskreter Eleganz einrichtet.

FR - Un plateau épuré pose sur un piétement sculptural formé de deux colonnes s'inspirant des agoras grecques. Le revêtement avec des matériaux primaires comme le ciment et le marbre en révèle la complexité. Une table qui meuble la salle à manger avec discrétion.

IT - Una collezione di tavoli in cui un top a contrasto in legno, marmo o vetro, poggia su di una struttura estremamente leggera. Le sottilissime lame metalliche della base permettono di usarla sia singolarmente che in coppia, per tavoli rotondi, ovali o rettangolari.

EN - A collection of tables with a contrasting wood, marble or glass top resting on an extremely light frame. The very thin metal blades of the base allow it to be used either separately or in pairs, for round, oval or rectangular tables.

DE - Eine Kollektion von Tischen, bei denen eine kontrastreiche Platte aus Holz, Marmor oder Glas auf einer extrem leichten Struktur ruht. Dank der sehr schmalen Metalllamellen des Grundgestells kann dieses sowohl einzeln als auch paarweise für runde, ovale oder rechteckige Tische verwendet werden.

FR - Une collection de tables où le plateau en bois, en marbre ou en verre pose, par contraste, sur une structure extrêmement légère. Les très fines lames métalliques du piètement permettent d'en utiliser un ou deux selon que l'on crée des tables rondes, ovales ou rectangulaires.

IT - Segno iconico e primordiale, l'incrocio a X caratterizza il tavolo e la consolle XCS. Due fianchi disegnati dall'accostamento di piatti metallici sottili ed inclinati, collegati da una trave longitudinale a doppio tubo circolare. Una struttura dal disegno forte, esaltata da dettagli e finiture ricercate, che sorregge piani di varie dimensioni e forme, in legno, vetro o pietra naturale.

EN - Both ancient and iconic, the "X" symbol marks a point of intersection and is the distinguishing feature of the XCS table and console. Two sides created by juxtaposing slender, diagonal metal plates are joined together by a lengthways beam made up of two tubular rods. The frame has a striking design, featuring elegant details and finishes. It supports the top which comes in wood, glass or natural stone, in various shapes and sizes.

DE - Als unverkennbares und ursprüngliches Merkmal zeichnet die X-Kreuzung die Tische und Konsolen XCS aus. Zwei Seiten, die durch die Aneinanderreihung von schlanken und geneigten Metallplatten gestaltet sind, die ein Längsträger mit einem doppelten Rundrohr verbindet. Eine Struktur mit starkem Design, die durch ausgeklügelte Details und Ausführungen aufgewertet wird, die Platten in verschiedenen Größen und Formen, aus Holz, Glas oder Naturstein tragen.

FR - Signe iconique et primordial, le croisement en X caractérise la table et la console XCS. IT - La bellezza nasce da un segno perfetto: il cerchio. Origine e ispirazione del Tavolo e della sedia Claire. Dal cerchio derivano strutture metalliche portanti rivestite poi in cuoio pregiato o pelle in armonia con il cristallo fumé o trasparente del tavolo.

EN - Beauty comes from a perfect shape: the circle, from which the Clair table and chair originate and by which they are inspired. The load-bearing metal frames also originate from a circular shape, covered with prized, heavy-duty leather or soft leather, in harmony with the smoked or transparent glass of the table.

DE - Schönheit entsteht aus einem perfektem Zeichen: dem Kreis. Aus dem Kreis entstehen tragende Metallstrukturen, die mit hochwertigem Kernleder oder Leder bezogen werden, um perfekt zur Tischplatte aus Rauchglas oder transparentem Glas zu passen.

FR - La beauté est issue d'une forme parfaite: le cercle. Origine et inspiration de la Table et de la Chaise Claire. Les structures portantes en métal dérivent du cercle. Elles sont revêtues en cuir rigide ou souple de qualité, en harmonie avec le verre fumé ou transparent de la table.

IT - Central Park è un tavolo e una scultura allo stesso tempo dove la combinazione tra colore, linee curve e spessori ridotti si armonizza alle tante ed originali finiture del piano. Prendendo invece in prestito gli stilemi riferiti ai sedili delle auto d'epoca sportive è nata la collezione di sedute Central Park disponibile in tre soluzioni.

EN - Central Park is both a table and a sculpture in which colours, lines, curves and slim panels combine to harmonise with the many original finishes available for the top. The collection of Central park seats, on the other hand, is available in three different versions and imitates the style of vintage sports car seats.

DE - Das Modell Central Park ist Tisch und Skulptur zugleich, wobei die Kombination aus Farbe, gerundeten Linien und geringen Stärken perfekt zu den zahlreichen und ausgefallenen Ausführungen der Tischplatte passt. Die in drei Varianten erhältliche Sitzmöbelkollektion Central Park ließ sich beim Stil hingegen von den Sitzen der Oldtimer-Sportwagen inspirieren.

FR - Central Park est à la fois une table et une sculpture où la combinaison des couleurs, des lignes courbes et des épaisseurs fines, s'harmonise avec les nombreuses et originales finitions du plateau. IT - Ogni divano ha un suo carattere, i cuscini decorativi a volte sono anche sostegni. Mettere insieme gli oggetti liberamente è l'azione entro la quale ogni cliente può metterci personalità. Ditre Italia, invitando a rendere lo spazio unico, suggerisce sempre di dar sfogo alla creatività di ognuno utilizzando soggettivamente l'ampio campionario tessile.

Ditre Italia is happy to see everyone using their creativity to the full by taking their personal pick from the wide range of fabric samples available to make each and every space unique.

DE - Jedes Sofa hat seinen Charakter, die Dekorkissen dienen manchmal auch als Stütze.
